Re: Announcing the launch of ERCU's iPhone and Android Apps

Imagine a tiny teller that goes where you go. That's the kind of convenience offered by Eagle River Credit Union's new Mobile Banking App. At Eagle River Credit Union, we pride ourselves on going above and beyond for our members, and we know, for you, convenience is key. Now we can provide a complete mobile banking experience by offering both the new Mobile Banking App for iOS and Android™ devices, and mobile-friendly browsing pre-equipped on MemberDirect® websites. Many of our members use mobile devices and apps on a daily basis, and we want to be where you are.

Visit the Apple App Store or Google Play to download your free app.

Login with your online banking information, and choose the option of staying logged in. In an instant, you can see all your account balances, do transfers, pay bills, or find your closest branch location with the quick touch of a finger. It's fast and convenient... which makes your life easier!

Visit your app store for our FREE download today.

Standard data charges may apply.
