

## **Press Release**

Eagle River Credit Union's Cooperative Social Responsibility (CSR) Program - GROW, supports charities and non-profit organizations that help make communities better, stronger, and more vibrant places to live, work, and do business.

Every year we give a percentage of our pre-tax income to community charities and non-profit organizations including those working in the areas of economic development, the environment, youth programming, arts and culture, affordable housing, community building, and healthcare.

In addition to the CSR grants distributed annually, our employees dedicate hundreds of hours each year volunteering in their local communities. Whether it is working as a volunteer firefighter, serving meals to seniors at the Salvation Army, or providing breakfast to children through the Kids Eat Smart™ Program, our community minded-employees are giving back and making a difference in their communities.

We are currently accepting applications for funding for our 2019 calendar year. All grant requests from non-profit charities and organizations are reviewed and approved by the CSR committee of the Board.

If your charity or not-for-profit charity or organization is interested in applying for funding, please visit [www.eaglerivercu.com](http://www.eaglerivercu.com) to complete an online application. Alternatively, you can contact Lynn Hunter-Murphy at 709-636-3376.
