On Thursday, October 19, 2017, credit unions around the world will be celebrating International Credit Union Day!

Please join the celebrations from 5pm -7pm at your local Eagle River Credit Union branch.

Since 1948, on the third Thursday of every October, credit unions have celebrated the principles that make credit unions the best financial partners of people all over the world.

The beginning for Credit Unions was based on a simple premise that people could pool their money and make loans to each other. It's the credit union idea, and it evolved from the cooperative activities of the early 19th century in Europe. The first of these cooperatives was an 1844 marketing cooperative organized by a group of workers in Rochdale, England.

So, when we wish you a Happy ICU Day at Eagle River Credit Union, know that we're thanking you for belonging to a movement that's helping your neighbors and people around the world grow, thrive and follow their dreams.

On October 19th, stop in to your local Eagle River Credit Union branch and celebrate with us as we reflect upon credit union history and achievements, enjoy local entertainment and share in some light refreshments.
