Re: Mud Lake Floods

Eagle River Credit Union will assist and support members affected by flooding in the Mud Lake community of Labrador.

"I am very thankful that all residents are safe" said Alvina O'Brien, CEO of Eagle River Credit Union. "However, we know that many of our Mud Lake members have been displaced, their homes have been damaged, and their community has been very disrupted by flooding. We will do our best at Eagle River Credit Union to help them rebuild."

Eagle River Credit Union will work with members affected by the flooding to help meet their financial needs during this emergency. Members are asked to call the Labrador Savings Branch at 709-896-8352 to discuss their individual situations.

Eagle River Credit Union prides itself on its commitment to building stronger communities, and when the situation has stabilized in Mud Lake, Eagle River Credit Union will work with community leaders and partners to determine how we can best contribute to community rebuilding efforts.
